**Subject:** RE: Letter from Florida and Georgia

Counsel:

The Special Master has received the parties' request for an extension of the January 15, 2016 deadline for fact discovery. The Special Master requests that both Georgia and Florida provide the two most recent requests for production of documents served on the opposing party, as well as the two most recent document subpoenas served on third parties. After receiving and reviewing the above, the Special Master will notify the parties if a telephone conference will be scheduled to address the parties' request for extension.

Thank you.
