Subject: RE: Florida v. Georgia, No. 142, Original

Mr. Gray –

The Special Master appreciates the notice provided by the United States regarding the release of the Corps' Final Environmental Impact Statement and Water Control Manual for the ACF River Basin. The Special Master requests that the United States address in its brief the extent to which (if at all) the final EIS and WCM materially changes the operations of the Corps as presented by the parties during the recently completed evidentiary hearing.

Regards,

Joshua D. Dunlap

Law Clerk to
Ralph I. Lancaster, Jr.
Special Master
Florida v. Georgia
Supreme Court of the United States
No. 142, Original
